Class: Electives - Heritage Crafts

Class Length: 7 Crafts
Schedule: Varies

Resources needed:
- Corresponding lessons on SchoolhouseTeachers.com
- Specific materials for each craft

Instructions: This suggested lesson plan provides a place for you to keep track of which crafts you have completed. There is also a recording page that can be printed for your student to complete once the project is complete. When the lesson has been completed, come back to this page and mark the check box beside the lesson to help you keep track of what has been done.

Lessons Completed
(check the following boxes as you have completed each lesson)
