Class: History - Lighting the Way

Class Length: Variable
Schedule: Variable

Resources needed:
- Corresponding lessons on SchoolhouseTeachers.com

Instructions: This suggested lesson plan provides a place for you to keep track of which videos you have watched. A recording page can also be printed for your student to complete once the video has been watched. When the lesson has been completed, come back to this page and mark the check box beside the lesson to help you keep track of what has been done.

You will also find a downloadable Leader Guide, Student Guide, and Board Game available for each video. These are located below each video, once you click on the video image.
