Instructions: This suggested lesson plan provides a place for you to customize your instruction. At the top of the page, you can write the letter that you will be studying for the week. Then, fill in the activities based on what you want your child to complete. As your student completes each assignment, you can mark the check box beside it. When the entire lesson has been completed, come back to this page and mark the check box beside the letter to help you keep track of what has been done.

Use the note boxes on each page to write specific materials for the week, provide further instructions, remind yourself about the details of a particular lesson, list books that go with the letter and so on.
