Class: Language Arts - Daily Puzzlers

Class Length: variable
Schedule: variable

Resources needed:
- Corresponding lessons on SchoolhouseTeachers.com

Instructions: This suggested lesson plan provides a place for you to keep track of which puzzles you have completed. There is also an instructional page that can be printed for your student to record the date, the puzzle number, and the letters used. When the puzzle has been completed, come back to this page and mark the check box beside the puzzle number to help you keep track of what has been done.

Puzzle # ___________

☐ Get out your word mat and bag of letters
☐ Look in your letter bag and find the letters you will need for today's puzzle.

Letters for today:

☐ Spread out the letters above, below, or beside your mat.
☐ Read each clue and find the letters you need to make the word on your mat. Make the word.
☐ Add, drop, substitute, or rearrange your letters to make the next word.
☐ Use all the letters to make your final word in today's puzzle.
☐ Put all the letters back in your bag so you will be ready for tomorrow!
